HSC	: Vallal S.I. Alagarsamy Chettiar Hr.sec. school, Chennai.	2013 - 2014
SSLC	: K C Sankaralinga Nadar Higher Secondary School, Chennai.	2013 - 2014

Skills & abilities

- UI Development: HTML, CSS, SASS, JavaScript, Bootstrap, Angular framework.
- UI Design: Figma, Adobe Creative Cloud (Adobe XD, Adobe Illustrator, Photoshop, InDesign).
- Carbon Design System for Angular.
- Responsive Web Design.
- Custom Directives, Pipes, and Services.
- API Integration (RESTful APIs).
- JSON and data parsing.
- Unit testing (e.g., Jasmine).
- Browser Developer Tools.
- Error handling and debugging technique.
- Scrum or other Agile methodologies.
- Project planning and task management.
- Problem-solving and analytical thinking.
- Communication and collaboration.
- Attention to detail.
- Time management and meeting deadlines.
- Adaptability and quick learning.

Projects

Allucent | UI/UX Developer

May 2024 – Till Now

Client: **Allucent**

- Developed new user interfaces from scratch using Carbon design system themes in Angular framework.
- Create custom directives, pipes, and services to enhance application functionality.
- Developed responsive screens. And maintaining the data's using CRUD operations.
- Designed Wireframes, Prototype, UI design.

Codaworx | UI Developer

December 2023 – May 2024

Client: **Codaworx**

- Executed the design and development of user interfaces for the Codaworx project utilizing Angular, ensuring a UI and user-centric experience. Maintaining the data's using CRUD operations.
- Emphasized the creation of responsive layouts and optimized performance to deliver a consistent experience across multiple devices and platforms.
- Partnered with design and product teams to transform user requirements into interactive UI components, elevating both functionality and visual appeal.
- Applied best practices in Angular development to enhance code quality, maintainability, and scalability, playing a pivotal role in the project's success.

THE HUB REPLATFORM | UI Developer

Mar 2023 – December 2023

Client: **Tempur Sealy International**

Executed the design and development of user interfaces for the Codaworx project utilizing Angular, ensuring a UI and user-centric experience. Maintaining the data's using CRUD operations.

- Spearheaded the development of a comprehensive user interface for the HUB project using Angular, focusing on creating an intuitive and engaging user experience.
- Utilized Angular's robust framework to build responsive layouts and dynamic components, ensuring optimal performance across various devices and browsers.
- Collaborated closely with UI/UX designers to translate design mock-ups into functional interfaces, maintaining design integrity and enhancing usability.
- Implemented best practices in coding and development, including modular design and reusable components, to promote scalability and maintainability.
- Conducted thorough testing and debugging to ensure high-quality deliverables, actively gathering feedback from users to drive continuous improvement in the UI.

I-PLANT | UI Developer

Sep 2022– Mar 2023

Client: **I-PLANT**

- Developed reusable Angular code for maximum speed and scalability, creating modules and handling key aspects of HTML and SCSS, while customizing Angular Material components to meet project requirements.

Mefisto | UI/UX Designer

Jul 2021 – Sep 2022

Client: **Group PSA**

- Maintained the existing UI layout by enhancing the features in this project.
- Developed customized pipes, services to enhance the project functionalities.
- Implemented new layouts in the existing project code.

EasyTouch | UI/UX Designer

June 2020 – Jul 2021

Client: **Group KERN& SOHN**

- Identify design problems.
- Design use journeys and storyboards.
- Whiteboarding, wireframing, sketching, prototyping.
- User- Centred design.
- Visual design, interaction design.
- Analyse usage patterns.
- Road mapping.
- Developing design codes.

Declaration

I hereby declare that the above particulars are true and complete to the best of my knowledge. I am confident of my ability to work in a team.
